Friday, 03 December 2010 21:54 - Last Updated Friday, 03 December 2010 22:26

This is the X-Labs poster designed by Billie Taylor. If you have time and are near a printer, please print some out and post them up around USF. This Poster is now permanently under the new Misc. menu item under the main menu. You should always be able to find general documents under the Misc. section from now on.
